### About Yorkshire Sculpture Park

Awarded VisitEngland's gold accolade in 2023-24 for an outstanding visitor attraction, Yorkshire Sculpture Park (YSP) is the leading international centre for modern and contemporary sculpture. Welcoming around 380,000 visitors each year, YSP is a registered charity and accredited museum situated in the 500-acre, 18th-century Bretton Hall estate in West and South Yorkshire.

YSP is the largest sculpture park in Europe. Founded in 1977 by Sir Peter Murray CBE it is currently led by Interim Director Kevin Rodd. It is the only place in Europe to see Barbara Hepworth's *The Family of Man* in its entirety, alongside a significant collection of sculpture, including works by Anthony Caro, Vanessa da Silva, Auke de Vries, Elisabeth Frink, Damien Hirst, Henry Moore, Marc Quinn, Ursula von Rydingsvard and Hank Willis Thomas, and site-specific works by Hemali Bhuta, Andy Goldsworthy, Alfredo Jaar, David Nash, Sean Scully and James Turrell.

YSP mounts a year-round temporary exhibitions programme including some of the world's leading artists across three indoor galleries and the outdoors. Highlights include exhibitions by Fiona Banner, Anthony Caro, Tony Cragg, Leonardo Drew, Robert Indiana, Amar Kanwar, KAWS, William Kentridge, Bharti Kher, Kimsooja, Joan Miró, Henry Moore, Lindsey Mendick, Annie Morris, Giuseppe Penone, Jaume Plensa, Ursula von Rydingsvard, Sean Scully, Chiharu Shiota, Yinka Shonibare CBE, David Smith, Joana Vasconcelos, Bill Viola and Erwin Wurm.

Across its 49-year history, YSP has worked with over 1,000 artists from more than 40 countries, on varied projects from short-term residencies to major surveys. YSP supports artists at vital stages in their careers and is rare in having the accommodation, workshops and expertise to enable open-ended and risk-taking practice, giving artists space, time and support to think and to develop new ideas.

Over this time, YSP has sought to ignite, nurture and sustain interest in and debate around contemporary art and sculpture, especially with those for whom art participation is not habitual or familiar. It enables open access to art, situations and ideas, and continues to re-evaluate and expand the approach to considering art's role and relevance in society. Supporting 40,000 people each year through YSP's learning programme, this innovative work develops ability, confidence and life aspiration in participants.

YSP's core work is made possible by investment from Arts Council England, Wakefield Council, Roger Evans, the Liz and Terry Bramall Foundation, The Garfield Weston Foundation and the Dunard Fund. YSP was named Art Fund Museum of the Year in 2014 and awarded the 2023 Visitor Attraction of the Year and Cultural Award in the Yorkshire Post Tourism Awards.
